

KAMAT **KAMAT PUMPS**
High Pressure, Plunger Pumps

All KAMAT pumps are available as standalone units or as full pumping stations. Swanson's piping and coupling products are provided as part of a single-source longwall system, minimizing cost and maintenance.

Pump Model	Plungers	GPM	Max Pressure PSI
K25055	3	100	4,950
K35055	3	115	5,200
K50055	5	170	6,200
